

Competition Rules

15 Minute Cut of Any Show

Timing begins with the first movement, sound, or music cue. A 1-point deduction will be assessed for every 30 seconds over the 15 minutes.

Licensing Requirements

Directors are responsible for obtaining all rights or approved edits needed to perform their cut of the show.

No Costumes

No costumes, costume pieces, or face paint are permitted. Each group should look as uniform as possible so as not to direct attention to certain characters. Groups should wear the same shirts and similar-style pants, shorts, or skirts. Shoes must be worn at all times.

Soundtracks

Every group must supply its own tracks and devices, such as an iPhone, iPad, or Mac, that can be plugged into the sound board through the provided auxiliary cables. One person from each group will be responsible for running tracks from the device. Extra vocals cannot be added to tracks.

Keep It Clean

Content of show must be family friendly. No profanity, suggestive or explicit language, sexual references or gestures, violence, drug or alcohol references, or any material that could be considered discriminatory, offensive, or inappropriate for young children is strictly prohibited.

Respect All Groups

Be respectful of all troupes during their performance. Parents and friends will have priority seating only during their troupe's performance. Move quickly and quietly out of the priority area as soon as your troupe performs. Do not leave during a troupe's performance.

No Sets or Props

No props or set pieces may be used. Four black acting boxes will be provided for use by all groups.

Photography and Videography

A professional videographer will record and supply a digital copy of one performance. Professional action shots will also be provided to each group. Audience members will not be allowed to obstruct the view of others with phones and other recording devices.
